IKEA is recalling BLÅVINGAD fishing game multicolor due to potential choking hazard

IKEA urges all customers who own BLÅVINGAD fishing game multicolor to stop using it and to contact IKEA for a full refund.

Safety is a top priority for IKEA and therefore we are taking precautionary measures and recalling BLÅVINGAD fishing game multicolor, due to a potential choking hazard. IKEA develops its products using a rigorous risk assessment and testing program, to make sure that the products live up to all applicable laws and standards on the markets where they are sold.

Despite of this it has come to our attention that small rivets on the toy can come loose, which results in a potential choking hazard, especially for smaller children. Therefore, BLÅVINGAD fishing game multicolor is being recalled.

BLÅVINGAD fishing game multicolor can be returned to any IKEA store for a full refund. Proof of purchase (receipt) is not required.

For more information, please visit IKEA Pasay City for return and full refund. You may also contact IKEA at +63 2 8888 IKEA (4532) for details.

IKEA apologizes for any inconvenience this recall may cause.

Annex B. Public Announcement

The screenshot shows the IKEA website's public announcement page. At the top, there is a search bar with the text "What are you looking for?" and navigation icons. Below the search bar, there are links for "Top sellers", "Last chance", and "Lower price". The main heading reads "IKEA is recalling BLÄVINGAD fishing game multicolor due to potential choking hazard". The text below explains that safety is a top priority for IKEA and that the recall is due to a potential choking hazard from small rivets on the toy. It urges customers to stop using the product and contact IKEA for a full refund. The announcement includes a small image of the fishing game components, such as wooden rods, a net, and various colorful fish and sea creature pieces.

The screenshot shows a Facebook post from the official IKEA page. The post text reads: "Hello Philippines, if you've purchased the BLÄVINGAD fishing game multicolor, please read on. IKEA urges all customers who own the BLÄVINGAD fishing game multicolor to stop using it and to contact IKEA for a full refund. Safety is a top priority for IKEA and therefore we are taking precautionary measures and recalling the BLÄVINGAD fishing game multicolor, due to a potential choking hazard. IKEA develops its products using a rigorous risk assessment and testing program, to ... See more". Below the text is a large image of the fishing game components, framed with a yellow and black hazard border. The image shows two wooden rods, a net, and various colorful fish and sea creature pieces. The post has 27 reactions, 3 comments, and 4 shares.
