Supply and Delivery of Grocery Items for Various Livelihood Kits for DTI-PPG of DTI Laguna Provincial Office (1 Lot)

I. Background

The Department of Trade and Industry- Pangkabuhayan sa Pagbangon at Ginhawa (DTI-PPG) is a livelihood seeding and entrepreneurship development program for micro-enterprises. The convergence of concerned government agencies on the provision of livelihood assistance to economic sectors affected by fire incidents and other calamities including armed conflicts, is a post-disaster response mechanism to address the need for continued economic activities in the affected areas.

In lieu with DTI's commitment to provide needed resources that will support the recovery and continuity of affected businesses and individuals and/or families, DTI-Laguna started coordination meetings with Laguna local government units (LGUs) on August 2023 and validated approximately 1300 potential beneficiaries on September 2023.

The following are the guidelines in identification and selection of potential beneficiaries:

- a. Microenterprises affected by fire incidents and other calamities
- b. Identified and validated a pool of potential beneficiaries prioritizing fire- and natural calamity-incidents victim, as well as identified beneficiaries considered as priorities of the national government such as beneficiaries from Killed in Action – Wounded in Action (KIA-WIA), those identified by the NTF-ELCAC, avalees of Balik Probinsya Program, and Persons of Concerns (refugees/stateless persons) under the Philippine commitment to UNHCR.

Provision of entrepreneurial trainings covering topics on starting up a business, consumer education, and simplified action planning to PPG beneficiaries followed on September to October 2023.

DTI issued Department Order Nos. 23-07 series of 2023 and 20-46. DO No. 23-07 series of 2023 covers the Implementing Guidelines on the Implementation of PPG, while DO No. 20-46 covers the Prescribed Guidelines for Expanding Scope in Assisting Microenterprises under the DTI-PPG. The two (2) DOs also aim to ensure that the livelihood assistance and the economic activities of the affected sectors are determined and undertaken immediately.
