Supply and Delivery of Grocery Items for Various Livelihood Kits for DTI-PPG of DTI Laguna Provincial Office (1 Lot)

I. Background

The Department of Trade and Industry- Pangkabuhayan sa Pagbangon at Ginhawa (DTI-PPG) is a livelihood seeding and entrepreneurship development program for micro-enterprises, with priority in areas affected by fire incidents and other calamities, including health disasters such as pandemics, and individuals and enterprises in National Capital Region (NCR) who have voluntarily moved to identified rural areas under the Balik Probinsya Program for the purpose of establishing or relocating an enterprise.

In lieu with DTI's commitment to provide needed resources that will support the recovery and continuity of affected businesses and individuals and/or families, DTI-Laguna started coordination meetings with Laguna local government units (LGUs) on January 2022 and validated approximately 1500 potential beneficiaries on February 2022.

The following are the guidelines in identification and selection of potential beneficiaries: 1. Fire incident victims (potential or existing entrepreneurs); 2. Natural Calamities' victims such as typhoon and earthquake (must be severely damaged due to calamity for the past year); 3. Identified priority sectors of the national government such as rebel returnees, wounded-in-action (WIA) or killed-in-action (KIA) uniformed personnel and communist-terrorist group (CTG) threatened barangays; and 4. Microenterprises on the 'poorest' barangays identified in each city or municipality.

Provision of entrepreneurial trainings covering topics on starting up a business, consumer education, business registration and simplified action planning to PPG beneficiaries followed on April to May 2022.
