Supply and Delivery of Grocery Items for Various Livelihood Kits for DTI LSP-NSB of DTI Laguna Provincial Office (1 Lot)

I. Background

The Livelihood Seeding Program – Negosyo Serbisyo Sa Barangay (LSP-NSB) is a program of DTI that allows a wider reach of business development assistance by bringing government services closer to the people through partnerships between relevant local government units and DTI officials. Through Barangay Development Councils (BDCs), the DTI shall help capacitate Barangay personnel to provide basic business advisory or information dissemination services to MSMEs in the locality.

Pursuant to the Republic Act Number 11469 also known as the Bayanihan to Heal as One Act, DTI is tasked to conduct LSP-NSB to areas affected by COVID-19, especially the 4th to 6th class municipalities. This program will serve as the government's assistance to the main catalyst of the economy, the micro, small and medium enterprises (MSMEs).

In lieu with DTI's commitment to provide government's assistance to the main catalyst of the economy, DTI-Laguna started coordination of initial meetings and orientations with Laguna local government units (LGUs) on the first quarter of 2022 and validated potential beneficiaries on the third quarter of the year.

The following are the steps/guidelines in identification and selection of potential beneficiaries: 1. DTI coordinates and schedules launching of NSB with LGU or Barangay officials for orientation of the program; or DTI obtains a list of participants from LGUs or Barangays that includes potential entrepreneurs, MSMEs, IPs, LCAC affected individuals, POCs, and calamity/pandemic affected beneficiaries; 2. Out of the orientation and training participants, DTI identifies, validates, and profiles the existing affected MSMEs to determine the eligibility of affected beneficiaries who will receive the livelihood kits; 3. Client fills out and submits the requirements for availing livelihood kits. 4. DTI provides livelihood kits to eligible beneficiaries containing items that could aid qualified affected individuals to restore and improve their businesses; and 5. DTI personnel or NC Business Counselor completes the profile the beneficiary and fills out the NC Client Profile and Monitoring System (NC-CPMS).

Provision of DTI programs and services, is the entrepreneurial trainings which aims to help increase the number of business enterprises in the countryside as well as create additional jobs by means of discussing a topic about starting up a business, consumer education, business registration and simplified action planning to LSP-NSB beneficiaries from January to September, 2022.
