For Overseas Procurement – Provision, Installation and Set-Up of Public Address and Projection System for the Pocket Events at the Philippines Pavilion at Expo 2020 Dubai

Background:

The Philippines Participation in Expo 2020 Dubai has generated over 100,000 visitors for its first month of its operations and is expecting an increase in visitors by both foreign and local based in Dubai, due to the incoming winter season and the easing of travel restrictions worldwide.

The Philippines Expo Secretariat conducted market scanning and initiated group discussions with avid visitors, vloggers/bloggers and content strategists to talk about actionable improvements that can be done in the Pavilion.

As a result of these consultative meetings, the Philippines Pavilion Secretariat decided to stage more pocket events to enliven the Pavilion grounds and provide frequent entertainment to visitors.

Therefore, there is a need to conduct overseas procurement for the provision, installation of a public address and projection system at the Philippines Pavilion at Expo 2020 Dubai.

Objective:

- To enliven the outdoor spaces of the Philippines Pavilion and provide entertainment to both local and foreign visitors
- To increase visitor engagement through the staging of pocket events at the Philippines Pavilion

Scope of Work:

- a. Bidders for this overseas procurement request must be based in Dubai, United Arab Emirates and can deliver the requirements on urgent basis following the Philippine Government Procurement rules and regulations or per RA 9184;
- b. The Bidder will provide, set-up and install the following equipment on lease from the date of awarding until 31 December 2021;
- c. The Bidder would provide the basic maintenance and services to the equipment at no extra cost as and when required by Client;
- d. Spare parts will be provided without additional cost to the Client during the rental period;
- e. The rental agreement may be terminated by either parties provided a 30-day written notice was sent to and accepted by other party.
