

**TERMS OF REFERENCE
PROVISION OF SERVICES
HIRING OF TRANSPORT SERVICES (OVERSEAS) FOR THE
DTI DUBAI SECRETARIAT TEAM OVER-ALL
OPERATIONS OF THE PHILIPPINES PAVILION @ EXPO 2020 DUBAI**

I. BACKGROUND:

The Government of the Philippines will participate in the **EXPO 2020 Dubai, UAE** from 1 October 2021 to 31 March 2022. Under the theme: “**Connecting Minds, Creating the Future**,” the Expo event provides an excellent opportunity to enhance the country’s presence in a global scale, promote the Philippines’ commercial and public interest in the Middle East, Africa, and South Asia (MENASA) regions, and benefit from new and sustainable solutions and transformative concepts that are product of the collaboration of ideas and experiences of various nations.

The Philippines is located at the Sustainability Theme Area in a plot size of 3,163.25 sqm. with 1,386.25 sqm. for the pavilion and the rest of space for outdoor activation. Accordingly, the Philippines participation will revolve around the thematic concept of **Bang-kota** or Philippine Reef.

To maximize our participation in EXPO 2020 Dubai, the Philippines will adopt a three-pronged marketing strategy: Country Branding, Trade, Tourism and Investments Promotion and Business to Consumer Activities through a National Pavilion, Exhibitions, B2B matching activities, Fora and Conferences, High-level visits, and Cultural Events.

The Department of Trade and Industry (DTI) which has been designated by the Office of the President as lead implementing agency for this activity by virtue of Administrative Order # 17 is tasked to plan, execute and supervise the National Pavilion, including all commercial activities within the pavilion (i.e. restaurants, souvenir shops), business programs, events, cultural presentations of the Philippines in EXPO 2020 Dubai.

The DTI Dubai Secretariat Team deployed to Dubai, UAE is in-charge of operationalizing the Philippines @ Expo Secretariat Office at the Philippines Pavilion and will be in-charge of coordinating and implementing the events/activities/programs of the Philippines Pavilion @ Expo 2020 Dubai which shall include but not limited to the following: attend to several preparatory and technical meetings in and outside the Expo site, conduct promotional campaigns in and outside Dubai Emirates and other critical activities/events relevant in a successful participation.

II. OBJECTIVES:

Relative to the Philippines Participation and all activities therein, the DTI Dubai Secretariat Team will need a UAE-based **TRANSPORTATION SERVICES COMPANY** which will provide transportation services on fixed basis, on ad-hoc basis and on point-to-point basis, for the period covering **01 December 2021 to 31 December 2021**

Core Services: This includes provision of car and fixed transport services on a daily basis, as well as ad-hoc drivers and cars when the team has a large or special demand on transport services

Ancillary Services: Other transportation services should be available upon the Team’s request, and involve point to point transfer service as follows:

- Personnel and baggage transportation services from Dubai International Airport/ Al Maktoum Airport to Expo Village Expo Village, Dubai Madinat Al Matar and back

- Personnel and baggage transportation services from Expo Village Dubai Madinat Al Matar to Abu Dhabi, Ajman, Dubai, Fujairah, Ras Al Khaiman, Sharjah, Umm Al Quwain and back

III. RATIONALE:

As a consequence of the global spread of the coronavirus, daily mobility habits have changed worldwide. People are avoiding using public transportation such as buses, trains and carpools across the globe. Private services are the preferred modes of transportation to reduce risk of exposure. The hiring of a Transportation Services Company is seen to be more beneficial for the health and safety of the officials and officers, as well as Pavilion guests and visitors, given the present restrictions on human mobility and travel brought about by the COVID-19 pandemic.

The hiring of a transport services company shall aid in the efficient delivery of all critical items, activities and events relevant to Pavilion operations. This shall avoid any down time wasted and improve daily efficiency.

More importantly the private transportation shall address any distance challenges and give the team more flexibility in attending to various programmed and unprogrammed/ emergency activities that will be encountered during the said duration.

IV. SCOPE OF WORK AND DELIVERABLES:

A. The Transport Service Company is expected to provide the following services: ‘

For the car and driver rental services:
