1	<p><b>I. Background</b></p> <p>The National Exporters' Week (NEW) is an annual event led by the Department of Trade &amp; Industry (DTI), in partnership with the Philippine Exporters Confederation Inc. (PHILEXPORT) and the Export Development Council (EDC). Presidential Proclamation 931, series of 1996 and House Resolution No.33 declared the first week of December as the NEW in order to obtain total commitment of the government and the private sector to continuously work together to sustain export promotion and development. Hence, the yearly celebration of the NEW has evolved into an important national event. Regional offices of the DTI, PHILEXPORT and the academe also celebrate the event with various activities in line with the year's chosen theme.</p> <p>The theme for this year's event is "Exporting Breakthroughs". This theme emphasizes the need to harness the experience, expertise and knowledge of both public and private stakeholders in international trade, build on our competitive advantage by pursuing innovation, gain flexibility and resilience through diversification and market access, and cultivate a competitive mindset among all stakeholders in order to achieve/realize exporting breakthroughs.</p> <p>The NEW will feature a line-up of thematic sessions/forums on a wide variety of export-related topics, business to business matching activities, and exhibition featuring exporters, export enablers, and e-commerce platforms and service providers. The National Export Congress (NEC) will be the culminating event of the NEW where identified initiatives of government and the private sector that support and empower exporters will be laid out. The new Philippine Export Development Plan (2023-2028) will also be launched during this year's NEC.</p> <p>Below is the schedule of activities for the 2022 NEW and NEC:</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: center;">ACTIVITIES</th> <th style="text-align: center;">DATE</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;"><b>A.
