

Common Vape Sales Violations

And How To Avoid Them

Republic Act 11900: *The Vaporized Nicotine
and Non-Nicotine Products Regulation Act*

Age Matters

Only 18 years old and above can buy, sell or use vaporized nicotine products, including devices and novel tobacco items.

Let's keep these products out of minors' reach.

Section 6. Minimum Age Sales and Purchase

The minimum allowable age for the purchase, sale and use of Vaporized Nicotine and Non-Nicotine Products, their devices, or Novel Tobacco Products shall be eighteen (18) years old.

AGE VERIFICATION REQUIRED

It is the responsibility of the sellers to verify that buyers are 18 years old and above. Present a valid ID with a photo and date of birth before any purchase.

Section 7. Proof-of-Age Verification

Retailers shall ensure that no individual below eighteen (18) years of age is allowed to purchase Vaporized Nicotine and Non-Nicotine Products, their devices or Novel Tobacco Products. It shall be the responsibility of retailers to verify the age of buyers. For this purpose, the presentation of any valid government-issued identification card exhibiting the buyer's photograph and age or date of birth shall be required. Retailers shall ensure direct delivery only to individuals who must be eighteen (18) years old and above.

KEEP VAPE SALES AWAY FROM SCHOOL

There shall be **NO sales, ads or demonstrations of vape products within 100 meters of schools** to keep a safe distance and protect minors.

Section 9. Sales and Promotion within School Perimeters

The sale, promotion, advertising, and product demonstration of Vaporized Nicotine and Non-Nicotine Products or Novel Tobacco Products within one hundred (100) meters from any point of the perimeter of a school, playground or other facility frequented particularly by minors shall be prohibited.

"The sale or distribution of Vaporized Nicotine and Non-Nicotine Products to or by persons below eighteen (18) years of age is illegal. These products are harmful and contain nicotine which is a highly addictive substance. It is not recommended for use by nonsmokers."

CLEAR SIGNAGE OF POINT OF SALE

Take note, retailers! Every vape-selling location must exhibit clear warnings in their stores about age requirements. Make it visible to avoid misunderstandings and unintentional sales to minors. This clear statement should be indicated:

Section 10. Point-of-Sale Signage

Point-of-sale establishments offering, selling or distributing Vaporized Nicotine and Non-Nicotine Products shall post the following statement in a clear and conspicuous manner.

PROPER PRODUCT PLACEMENT

Responsible display rules prevent access to young customers. Vape products should never be placed next to items that attract minors.

Section 11. Display of Products

Vaporized Nicotine and Non-Nicotine Products and Novel Tobacco Products shall not be displayed immediately next to products of particular interest to minors.

NO NICOTINE SHOTS

The sale and use of nicotine shots or concentrates are strictly prohibited for safety reasons. Stick to regulated vape products only.

Section 20. Restriction on the Retail and Sale of Nicotine Shots

The retail or use of nicotine shots and/or concentrates shall be strictly prohibited.
