

## GUIDELINES FOR FILLING UP THE ASSESSMENT CHECKLIST

e.g. (ISO/IEC 17021-1:2015, Clause 5.1.2)

**Legend:** C – Complies, O – Observation, *T* – To Check On-site, N – Nonconformity, N/A – Not Applicable

Clause Requirement	
	<p><b>5.1.2 Certification agreement</b>  <i>Does the certification body have a legally enforceable agreement for the provision of certification service in accordance with the relevant requirements of this part of ISO/IEC 17021 to its client? Where there are multiple offices of a certification body or multiple sites of a client, does the certification body ensure that there is a legally enforceable agreement between the certification body granting certification and issuing a certificate, and all the sites covered by the scope of the certification?</i></p>
	<p>Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i></p> <p><i>CB XYZ ensures that an enforceable Certification Agreement is both signed by the authorized representatives of CB XYZ and its client.</i></p> <p>References:            CB XYZ <b>Quality Manual</b> Clause 5.1.2            CB XYZ QP 3 <b>Certification Procedure</b>, Item 3 (if this is discussed in that specific procedure)            Form ABC Rev. 1 <b>Certification Agreement</b> (where requirements stated in 5.1.2 are included)</p>
	<p>Findings/Comments: <i>(To be filled-up by the AB)</i></p>

- 1) Fill up all items on the spaces provided for the Certification Body (applicant body).
- 2) Discuss briefly the applicable policies and/or procedures as required by each clause/sub clause.
- 3) Indicate the specific part in your Quality Manual/Procedures/Work Instructions and/or applicable forms where your statements are referred from.  
**Note 1: Submit all relevant documents indicated in your filled-up Assessment Checklist**  
**Note 2: Application will not be processed if the Assessment Checklist is not properly/completely filled up.**
- 4) PAB to fill up any comments or findings raised based on the CB's response (**supported by the submitted references/evidences**), to the clause requirements.

**Food safety management systems – Requirement for bodies providing audit and certification of food safety management systems**

<p><b>5.1.2 Certification agreement</b>  <i>Does the certification body have a legally enforceable agreement for the provision of certification service in accordance with the relevant requirements of this part of ISO/IEC 17021 to its client? Where there are multiple offices of a certification body or multiple sites of a client, does the certification body ensure that there is a legally enforceable agreement between the certification body granting certification and issuing a certificate, and all the sites covered by the scope of the certification?</i>  <i>*An agreement can be achieved through multiple agreements that reference or otherwise link to one another.</i></p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>5.1.3 Responsibility for certification decisions</b>  <i>Is the certification body responsible for, and does it retain authority for, its decisions relating to certification, including the granting, refusing, maintaining of certification, expanding or reducing the scope of certification, renewing, suspending or restoring following suspension, or withdrawing of certification?</i></p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>

<b>Clause Requirement</b>
<b>5.2 Management of impartiality</b> <b>ISO/TS 22003:2013</b> <i>Is FSMS consultancy not provided by either the certification body or any part of the same legal entity?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.1 Does the certification body undertake conformity assessment activities impartially? Does the certification body allow commercial, financial or other pressures to compromise impartiality? Is the certification body responsible for the impartiality of its conformity assessment activities?</b>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.2 Does the certification body have top management commitment to impartiality in management system certification activities? Does the certification body have a policy that it understands the importance of impartiality in carrying out its management system certification activities, manages conflict of interest and ensures the objectivity of its management system certification activities?</b>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.3 Does the certification body have a process to identify, analyze, evaluate, treat, monitor and document the risks related to conflict of interests arising from provision of certification including any conflicts arising from its relationship on an ongoing basis? Where there are any threats to impartiality, does the certification body document and demonstrate how to eliminate or minimize such threats and document any residual risk? Does the demonstration cover all potential threats that are identified, whether they arise from within the certification body or from the activities of other persons, bodies or organizations? Does the top management review any residual risk to determine if it is within the level of acceptable risk? Does the risk assessment process include identification of and consultation with appropriate interested parties advising on matters affecting impartiality including openness and public perception?</b>

Clause Requirement
<p><i>*Sources of threats to impartiality of the certification body can be based on ownership, governance, management, personnel, shared resources, finances, contracts, training, marketing and payment of a sales commission or other inducement for the referral of new clients, etc.</i></p> <p><i>* Interested parties can include personnel and clients of the certification body, customers of organizations whose management systems are certified, representatives of industry trade associations, representatives of governmental regulatory bodies or other governmental services or representatives of non-governmental organizations, including consumer organizations.</i></p> <p><i>* One way of fulfilling the consultation requirement of this clause is by the use of a committee of these interested parties.</i></p>

Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.4</b> <i>Does the certification body certify another certification body for its management system certification activities?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.5</b> <i>Does the certification body or any part of the same legal entity under the organizational control of the certification body offer or provide management system consultancy? This also applies to that part of government identified as the certification body. *This does not preclude the possibility of exchange of information (e.g. explanation of findings or clarification of requirements) between the certification body and its clients.</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.6</b> <i>Does the certification body or any part of the same legal entity and any entity under the organizational control of the certification body offer or provide internal audits to its certified clients? Is carrying out of internal audits by the certification body and any part of the same legal entity to its certified clients a significant threat to impartiality? *See Note 1 to Clause 5.2.3.</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>

<b>Clause Requirement</b>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>5.2.7</b> Does the certification body certify the management system for a minimum of two years following the end of the consultancy?            When a client has received management systems consultancy from a body that has a relationship with a certification body, this is a significant threat to impartiality.            *See Note to 5.2.3.</p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>5.2.8</b> Does the certification body outsource audits to a management system consultancy organization, as this poses an unacceptable threat to the impartiality of the certification body (see Clause 7.5)?            This does not apply to individuals contracted as auditors covered in Clause 7.3.</p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>5.2.9</b> Are the certification body's activities marketed or offered as linked with the activities of an organization that provides management system consultancy?            Does the certification body take action to correct inappropriate links or statements by any consultancy organization stating or implying that certification would be simpler, easier, faster or less expensive if the certification body were used?            Does the certification body not state or imply that certification would be simpler, easier, faster or less expensive if a specified consultancy organization were used?</p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>5.2.10</b> Does the certification body ensure that personnel who have provided management system consultancy, including those acting in a managerial capacity, do not take part in an audit or other certification activities if they have been involved in management system consultancy towards the client in question within two years following the end of the consultancy?</p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>

<b>Clause Requirement</b>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.11</b> <i>Does the certification body take action to respond to any threats to its impartiality arising from the actions of other persons, bodies or organizations?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.12</b> <i>Do all certification body personnel, either internal or external, or committees, who could influence the certification activities, act impartially and not allow commercial, financial or other pressures to compromise impartiality?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.2.13</b> <i>Does the certification body require personnel, both internal and external, to reveal any situation known to them that may present them or the certification body with a conflict of interests? Does the certification body record and use this information as input to identifying threats to impartiality raised by the activities of such personnel or by the organizations that employ them?</i> <i>Does the certification body use personnel, either internal or external, unless they can demonstrate that there is no conflict of interests?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>5.3 Liability and financing</b> <b>5.3.1</b> <i>Can the certification body demonstrate that it has evaluated the risks arising from its certification activities and that it has adequate arrangements (e.g. insurance or reserves) to cover liabilities arising from its operations in each of its fields of activities and the geographic areas in which it operates?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>

<b>Clause Requirement</b>
<p><b>5.3.2</b> <i>Does the certification body evaluate its finances and sources of income and demonstrate to the committee specified in 6.2 that initially, and on an ongoing basis, commercial, financial or other pressures do not compromise its impartiality?</i></p>
<p>Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i></p>
<p>Findings/Comments: <i>(To be filled-up by the AB)</i></p>
<p><b>6 Structural requirements</b></p> <p><b>6.1 Organizational structure and top management</b></p> <p><b>6.1.1</b> <i>Has the certification body documented its organizational structure, showing duties, responsibilities and authorities of management and other certification personnel and any committees?</i>  <i>When the certification body is a defined part of a legal entity, does the structure include the line of authority and the relationship to other parts within the same legal entity?</i></p>
<p>Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i></p>
<p>Findings/Comments: <i>(To be filled-up by the AB)</i></p>
<p><b>6.1.2</b> <i>Are the certification activities structured and managed to safeguard impartiality?</i></p>
<p>Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i></p>
<p>Findings/Comments: <i>(To be filled-up by the AB)</i></p>
<p><b>6.1.3</b> <i>Has the certification body identified the top management (board, group of persons, or person) having overall authority and responsibility for each of the following:</i></p> <ul style="list-style-type: none"> <li><i>a) development of policies and establishment of processes and procedures relating to its operations;</i></li> <li><i>b) supervision of the implementation of the policies and procedures;</i></li> <li><i>c) ensuring impartiality;</i></li> <li><i>d) supervision of its finances;</i></li> <li><i>e) development of management system certification services and schemes;</i></li> <li><i>f) performance of audits and certification, and responsiveness to complaints;</i></li> <li><i>g) decisions on certification; delegation of authority to committees or individuals, as required, to undertake defined activities on its behalf;</i></li> <li><i>h) contractual arrangements;</i></li> <li><i>i) provision of adequate resources for certification activities?</i></li> </ul>
<p>Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i></p>

Clause Requirement
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>6.1.4</b> <i>Does the certification body have formal rules for the appointment, terms of reference and operation of any committees involved in the certification activities?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>6.2 Operational Control</b>
<b>6.2.1</b> <i>Does the certification body have a process for the effective control of certification activities delivered by branch offices, partnerships, agents, franchisees, etc. irrespective of their legal status, relationship or geographical location? Have the certification body considered the risk that these activities pose to the competence, consistency and impartiality of the certification body?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>6.2.2</b> <i>Has the certification body considered the appropriate level and method of control of activities undertaken including its processes, technical areas of certification bodies' operations, competence of personnel, lines of management control, reporting and remote access to operations including records?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7 Resource requirements</b>
<b>7.1 Competence of personnel</b>
<b>7.1.1 General considerations</b>
<i>Does the certification body have processes to ensure that personnel have appropriate knowledge and skills relevant to the certification standard and geographic areas in which it operates?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>

<b>Clause Requirement</b>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>7.1.2 Determination of competence criteria</b></p> <p><i>Does the certification body have a documented process for determining the competence criteria for personnel involved in the management and performance of audits and certification activities? Are competence criteria determined with regard to the requirements of the certification standard for each technical area, and for each function in the certification process? Is the output of the process documented criteria of required knowledge and skills necessary to effectively perform audit and certification tasks to be fulfilled to achieve the intended results? Annex A specifies the knowledge and skills that a certification body shall define for specific functions.</i></p> <p><i>*The term “technical areas” is applied differently on the management system standard being considered. For any management system, the term is related to products, processes and services in the context of the scope of the management system standard. The technical area can be defined by a specific certification scheme (e.g. ISO/TS 22003) or can be determined by the certification body. It is used to cover a number of other terms such as “scopes”, “categories”, “sectors”, etc., which are traditionally used in different management system disciplines.</i></p>

Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>ISO/TS 22003:2013</b></p> <p><i>Do the competence criteria included in Annex C form the basis for the criteria developed for each category? Are the competence criteria generic or specific? Are the competence criteria in ISO/IEC 17021-1:2015 considered to be generic? *The competence criteria identified in Annex C are food safety related criteria for certification body personnel. The certification body can identify specific competences required for the identified categories and for each certification function. **Annex D provides guidance to the certification body on many of the generic certification functions identified in ISO/IEC 17021-1:2015, Annex A, for which competence criteria need to be determined for personnel involved in the audit and certification of an FSMS ***Qualification(s) and experience can be used as part of the criteria; however, competence is not based on these alone, as it is important to ensure that a person can demonstrate the ability to apply the specific knowledge and skills that would expect a person to have after completing a qualification or having a certain amount of industry experience.</i></p>

Findings/Comments: <i>(To be filled-up by the AB)</i>

<b>Clause Requirement</b>
<p><b>7.1.3 Evaluation processes</b>  <b>7.1.3</b> Does the certification body have documented processes for the initial competence evaluation, and on-going monitoring of competence and performance of all personnel involved in the management and performance of audits and other certification activities, applying the determined competence criteria?            Does the certification body able to demonstrate that its evaluation methods are effective?            The output from these processes shall be to identify personnel who have demonstrated the level of competence required for the different functions of the audit and certification process?            *A number of evaluation methods that can be used to evaluate knowledge and skills are described in Annex B of IS/IEC 17021-1.            *Annex C of ISO/IEC 17021-1:2015 shows an example of process flow for determining and maintaining competence.</p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>7.1.4 Other considerations</b>            Does the certification body have access to the necessary technical expertise for advice on matters directly relating to certification activities for all technical areas, types of management systems and geographic areas in which the certification body operates?            Such advice may be provided externally or by certification body personnel.</p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>7.2 Personnel involved in the certification activities</b>  <b>7.2.1</b> Does the certification body have sufficient, competent personnel for managing and supporting the type and range of audit programmes and other certification work performed?</p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<p><b>7.2.2</b> Does the certification body employ, or have access to, a sufficient number of auditors, including audit team leaders, and technical experts to cover all of its activities and to handle the volume of audit work performed?</p>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>

<b>Clause Requirement</b>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.3</b> <i>Does the certification body make clear to each person concerned their duties, responsibilities and authorities?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.4</b> <i>Does the certification body have processes for selecting, training, formally authorizing auditors and for selecting and familiarizing technical experts used in the certification activity? Does the initial competence evaluation of an auditor include ability to apply required knowledge and skills during audits, as determined by a competent evaluator observing the auditor conducting an audit?</i> <i>*During the selection and training process described above desired personal behaviours can be considered. These are characteristics that affect an individual's ability to perform specific functions. Therefore, knowledge about the behaviours of individuals enables a certification body to take advantage of their strengths and to minimize the impact of their weaknesses.</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.5</b> <i>Does the certification body have a process to achieve and demonstrate effective auditing, including the use of auditors and audit team leaders possessing generic auditing skills and knowledge, as well as skills and knowledge appropriate for auditing in specific technical areas?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.6</b> <i>Does the certification body ensure that auditors (and, where needed, technical experts) are knowledgeable of its audit processes, certification requirements and other relevant requirements? Does the certification body give auditors and technical expert's access to an up-to-date set of documented procedures giving audit instructions and all relevant information on the certification activities?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>

<b>Clause Requirement</b>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.7</b> Does the certification body identify training needs and offer or provide access to specific training to ensure its auditors, technical experts and other personnel involved in certification activities are competent for the functions they perform?
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.8</b> Does the group or individual that takes the decision on granting, refusing, maintaining, renewing, suspending, restoring or withdrawing certification, or on expanding or reducing the scope of certification, understand the applicable standard and certification requirements, and have demonstrated competence to evaluate the outcomes of the audit processes including related recommendations of the audit team?
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.9</b> Does the certification body ensure the satisfactory performance of all personnel involved in the audit and certification activities? Are there documented process for monitoring competence and performance of all persons involved, based on the frequency of their usage and the level of risk linked to their activities? Does the certification body review and record the competence of its personnel in the light of their performance in order to identify training needs?
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.10</b> Does the certification body monitor each auditor considering each type of management system to which the auditor is deemed competent? Do the documented monitoring procedures for auditors include combination of on-site observation, review of audit reports and feedback from clients or from the market? Is the monitoring designed in such a way as to minimize disturbance to the normal processes of certification, especially from the client's viewpoint?
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>

<b>Clause Requirement</b>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.2.11</b> <i>Does the certification body periodically evaluate the performance of each auditor on-site? Is the frequency of on-site evaluations based on the need determined from all monitoring information available?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.3 Use of individual external auditors and external technical experts</b> <i>Does the certification body require external auditors and external technical experts to have a written agreement by which they commit themselves to comply with applicable policies and implemented processes as defined by the certification body?</i> <i>Do the agreement address aspects relating to confidentiality and impartiality and require the external auditors and external technical experts to notify the certification body of any existing or prior relationship with any organization they may be assigned to audit?</i> <i>*Use of an individual or employee of another organization individually contracted to serve as an external auditor or technical expert does not constitute outsourcing.</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.4 Personnel records</b> <i>Does the certification body maintain up-to-date personnel records, including relevant qualifications, training, experience, affiliations, professional status and competence?</i> <i>Does the record include management and administrative personnel in addition to those performing certification activities?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.5 Outsourcing</b> <b>7.5.1</b> <i>Does the certification body have a process in which it describes the conditions under which outsourcing (which is subcontracting to another organization to provide part of the certification activities on behalf of the certification body) may take place?</i> <i>Does the certification body have a legally enforceable agreement covering the arrangements, including confidentiality and conflict of interests, with each body that provides outsourced services?</i>

Clause Requirement
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.5.2</b> <i>Are decisions for granting, refusing maintaining of certification, expanding or reducing the scope of certification, renewing, suspending or restoring, or withdrawing of certification are not outsourced?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.5.3</b> <i>Does the certification body:</i> a) <i>take responsibility for all activities outsourced to another body,</i> b) <i>ensure that the body that provides outsourced services, and the individuals that it uses, conform to requirements of the certification body and also to the applicable provisions of ISO/IEC 17021-1, including competence, impartiality and confidentiality, and</i> c) <i>Ensure that the body that provides outsourced services, and the individuals that it uses, are not involved, either directly or through any other employer, with an organization to be audited, in such a way that impartiality could be compromised?</i>
Describe briefly the CB's established policies and procedures: <i>(To be filled-up by the CB)</i>
Findings/Comments: <i>(To be filled-up by the AB)</i>
<b>7.5.4</b> <i>Does the certification body have a process for the approval and monitoring of all bodies that provide outsourced services used for certification activities?</i> <i>Does the certification body ensure that records of the competence of all personnel involved in certification activities are maintained?</i> * <i>For Clauses 7.5.1 to 7.5.4, where the certification body engages individuals or employees of other organizations to provide additional resources or expertise, these individuals do not constitute outsourcing provided they are individually contracted to operate under the certification body's management system (see Clause 7.3)</i> * <i>For Clauses 7.5.1 to 7.5.4, the terms "outsourcing" and "subcontracting" are considered to be synonyms.</i>

<p><b>8.3 Reference to certification and use of marks</b></p> <p><b>8.3.1</b> Does the certification body have rules governing any management system's third party mark that it authorizes certified clients to use?            Do these rules ensure, among other things, traceability back to the certification body?            Is there any ambiguity, in the mark or accompanying text, as to what has been certified and which certification body has granted the certification?            Is the mark used on a product or product packaging seen by the consumer or in any other way that may be interpreted as denoting product conformity?            *ISO/IEC 17030 provides additional information for use of third-party marks.</p>
