

**ANNOUNCEMENT**

No. 2022-001

**08 August 2022**

**NO STMO AUTHORIZATION, NO EXPORT OF STRATEGIC GOODS**

The Department of Trade and Industry - Strategic Trade Management Office (STMO) wishes to inform those with pending applications for STMO registration and/or authorization that **starting 01 January 2023, the export of strategic goods without duly signed authorization issued by the STMO shall no longer be allowed.**

The STMO encourages all persons engaged in the export of strategic goods to register and apply for authorization before engaging in any of the regulated activities, taking into consideration the processing time prescribed by the Strategic Trade Management Act (STMA) and its Implementing Rules and Regulations.

Failure to comply with the prescribed authorization requirements will lead to the imposition of administrative or criminal penalties under the STMA.

All relevant issuances and guidelines pertaining to STMA compliance may be accessed on the STMO website at <https://www.dti.gov.ph/negosyo/strategic-trade-management/>.

Please be guided accordingly.
