Negosyo Serbisyo sa Barangay (LSP-NSB)	allows a wider reach of business development assistance by bringing government services closer to the people through partnerships between relevant local government units and DTI officials. Through Barangay Development Councils (BDCs), the DTI shall help capacitate Barangay personnel to provide basic business advisory or information dissemination services to MSMEs in the locality. The LSP-NSB aims to support the goals of the MSME Development Plan 2017-2022 to double the number of registered entrepreneurs and create more than four million jobs. It intends to maximize the potential of barangays to become economically independent and make them more effective partners in the attainment of national goals.		<ul style="list-style-type: none"> <li>class municipalities covered (3,266 total barangays covered)</li> <li>- 242,914 individuals provided with information/ training on various livelihood opportunities</li> <li>- 44,032 MSMEs assisted</li> </ul>	<ul style="list-style-type: none"> <li>- 377,406 individuals provided with information/ training on various livelihood opportunities</li> <li>- 56,266 MSMEs assisted</li> <li>- 26,214 livelihood kits provided</li> </ul>	<ul style="list-style-type: none"> <li>- 382,380 individuals provided with information/ training on various livelihood opportunities</li> <li>- 82,040 MSMEs assisted</li> <li>- 35,410 livelihood kits provided</li> </ul>	<ul style="list-style-type: none"> <li>- 298,277 individuals provided with information/ training on various livelihood opportunities</li> <li>- 54,862 MSMEs assisted</li> <li>- 23,161 livelihood kits provided</li> </ul>

<b>FOREIGN-ASSISTED PROJECT</b>							
Rural Agro-Enterprise Partnership for Inclusive Development (RAPID) Growth	<p>Aligned with the Philippine Development Plan 2017-2022, RAPID Growth Project aims to trigger agro-enterprise development in the rural areas. Anchored on the Value Chain Approach, it will adopt a whole-of-government approach in the delivery of services, expand economic opportunities, create more agro-enterprises particularly in the rural areas, facilitate easy access to market, technology financing and other business development support services.</p> <p>The RAPID Growth Project's development goal is to increase the income level of small farmers and unemployed rural women and men across selected agri-based value chain. This can be done by executing collaborative action plans and build commercial partnerships</p>	Ongoing; 2019-2025	<ul style="list-style-type: none"> <li>- 101 Business Development Service providers accredited</li> <li>- 149 Negosyo Centers engaged</li> <li>- 22 trainings and needs assessment conducted</li> <li>- 62 anchor firms/ market partners identified</li> </ul>	<ul style="list-style-type: none"> <li>- 505 coops/ MEs/SMEs engaged by SIP</li> <li>- 21 networks of Negosyo Centers set up servicing beneficiaries</li> <li>- 207 qualified BDS providers assessed.</li> <li>- 24 Regional Industry Councils strengthened/ engaged</li> <li>- 145 commercial partnership agreements signed</li> </ul>	<ul style="list-style-type: none"> <li>- 36,610 farming households participating in Detailed Investment Plans</li> <li>- 21 networks of Negosyo Centers set up servicing beneficiaries</li> <li>- 21 pools of qualified service providers</li> <li>- 24 Regional Industry Councils strengthened/ engaged</li> <li>- 34 commercial partnership agreements signed</li> </ul>	<ul style="list-style-type: none"> <li>- 37,763 farming households participating in Detailed Investment Plans</li> <li>- 7,763 farmers/ MSMEs participated in/ trained on capacity development activities</li> <li>- 21 networks of Negosyo Centers set up servicing beneficiaries<sup>1</sup></li> <li>- 21 pools of qualified service providers<sup>2</sup></li> <li>- 10 Detailed Investment Plans approved/ongoing implementation</li> <li>- 32 commercial partnership agreements signed</li> <li>- 268 MSMEs assisted<sup>3</sup></li> <li>- 74 products developed resulting from the product development activities</li> <li>- 25 market linkages established through the participation in 72 provincial, regional, and international trade promotion activities</li> </ul>	824.654

<sup>1</sup> The Project collaborates with the same NCs at the municipal/provincial for the project's various activities. The project accounts the same provinces with NCs (1 network - NCs per province) as no new province is added to its geographical scope.

<sup>2</sup> The same 21 provinces (1 province = 1 pool) are accounted as no new province is added to the project's geographical scope. As of December 2022, these pools comprise of 380 Business Development Service Providers (BDSPs) from all regions, which scope is not just limited to the province but also regional.

<sup>3</sup> MSMEs assisted through the project's initial business development services and DIP-based interventions.
